

8-9 > Spelling Scheme

Introduction

While the TES SPaG spellings can be used in a pick and mix manner, we have structured the lists to be a complete, 36 module, spelling scheme for each year group, that provides new National Curriculum coverage.

The second page of this document outlines each module. Additional documents list the words in a handy 'look-cover-write' format, along with any relevant notes.

The interactive games come in two styles, "Choose Me" or "Correct Me". The first is a simpler multiple choice game. The second provides a typical misspell which the child needs to correct. Some modules have both game styles available, others just one. Both games put the word in the context of a sentence.

The intention is that the 36 modules can be covered in a normal school year, but could be covered over a longer (or shorter) period of time depending on the needs of the learner. Each year extends on from the previous, with some revision of key concepts in each year.

Structure

Spellings are grouped into Phonics, Word Work and Key/Tricky Words.

One year at a time! The National Curriculum groups the spelling patterns and word lists into bands of two years – Year 3 and 4 are combined and Year 5 and 6 are combined. TES SPaG **spreads the content of the appendices across each year**, apportioning the work according to perceived difficulty, providing a complete progression.

For this age (year 4) the **Phonics words** cover a few further alternative spellings from Phase 5 of Letters and Sounds, as well as a small list of spellings influenced by other languages.

The **Word Work lists** cover suffixes and prefixes. A number of them have a phonetic flavour, dealing with troublesome endings such as -tion, -sion, -tious, -scious. These word ending rules and word families are derived from the requirements of both the spelling and grammar appendices.

The final 12 modules of the year are selected from established **words-to-learn lists**. For this age, the 120 words are the 100 Word List for Year 3 and 4, plus 20 further words that pupils this age commonly misspell.
