Headteacher: Helen Tomlinson

20<sup>th</sup> March 2020

Dear Pupils of Red Hall,

I have sent out letters to parents but thought that you also need to hear from me. I have to let you know how immensely proud I am of you all. The last few weeks have shown so many changes and you have taken it in your stride. There have been so many changes including washing your hands lots of times, not having assemblies, not having all your friends in school. You have had lots of questions and have coped really well when the adults can't give you the answers that we would like to.

Today will feel a little bit strange again. The adults in school will continue to make the day interesting and fun but we also know that some of you may feel a little bit sad or anxious. Remember to talk to your trusted adults about those feelings – they are feeling the same too!

After today school will be closed for many of you. We are keeping the website up to date with lots of new things for you to do at home. Keep checking back on it. Many of you have taken home log-ins for different activities so keep going with that. We certainly will keep you in our minds and will miss you.

Hopefully, we will all be back together again in our lovely Red Hall community.

While we are not together try really hard to listen to your adults at home, keep washing your hands, keep active and keep learning.

In the middle of this, remember you are part of real history – in the future children will learn about 2020. You will be able to tell them all about your experiences.

Maybe keep a diary so you can read it back when you are older. You could include how it feels for you, about some of the challenges you are facing and also about what your family are doing together.

Whether you are at home or at school continue to keep safe! I will write to you all again soon.

With warm regards to you all

Mrs Tomlinson
